## Report of District Nurse

---

To the Board of Selectmen,  
Town of Westport,  
Gentlemen,

I herewith submit a summary of the Community work for the year ending 1927.

Prenatal Visits	81
Babies	604
Preschool	387

Tuberculosis	125
Nursing	1397
Investigation	2204
	<hr/>
Total	4,408

- 1 Child admitted to North Reading Sanatorium.
- 1 Preschool admitted to Lakeville Sanatorium.
- 1 Preschool admitted to Attleboro Sanatorium.

Considerable time has been spent in assisting the school nurse in follow up work, dental clinics, hospital clinics, special state clinics, Schick testing and toxin-antitoxin.

Two Christmas dinners were given by the Girls Scouts, which was greatly appreciated.

An available fund for emergency cases is greatly needed. This would cover needy cases that are not being aided by other departments in the town. This fund would save much valuable time and unnecessary, embarrassing questions which usually occur from such emergencies.

I wish to take this opportunity to thank the Red Cross and Citizens of the town for their hearty and sincere cooperation.

Respectfully submitted,

C. JOSEPHINE HOWLAND, R. N.

### INVENTORY OF TOWN PROPERTY

Dec. 31, 1927

Town Farm	\$3,000.00
Wood Lot	600.00
Pine Island	100.00
Furniture	500.00
Hay & Grain	261.00

The industrial depression in the adjacent cities is reflected by an increased demand for aid. Many families whose bread-winner has residence in Westport, but works in the cities, has been thrown out of employment and has been obliged to appeal to this Department for aid. This is shown

by the increased number of persons aided, and the corresponding increase in the expense of this Department.

Every application to this Department for aid is carefully investigated before aid is given. An application for aid must be made by the person needing aid and not by relatives, friends, or neighbors. The investigation consists of a visit to the home where a careful history of the case is taken. All parts of this history are carefully checked to determine accurately whether the applicant has a legal settlement in Westport, and the actual amount of aid required, and whether aid is being received from other sources.

There has been refunded \$1,575.83 to the Town Treasury.

Signed

JOHN I. GIFFORD, Chairman,  
SAMUEL A. BOAN,  
MRS. ROBY C. BURT.

## Report of the Trustees

### Free Public Library

---

The Trustees of the Free Public Library respectfully submit the following report for the year ending Dec. 31, 1927.

The Trustees met and organized as follows:—Chairman, Nason R. Macomber; Secretary, Ada S. Macomber; Librarian, Annie R. Howland; Assistant Librarian, Louise A. Feenan; Book Committee, Mrs. Howland, Mrs. Feenan and Mrs. Macomber.

Branch libraries have again been maintained in the schools wherever the teachers have expressed a wish for them.

The following magazines are available at the Library:—Boys' Life; Good Housekeeping; National Geographic and Popular Mechanics.

The circulation for year, exclusive of books circulated in the schools which have made no report, has been approximately 3,675.

The Librarian and Trustees have been very much handicapped in the work they would like to do, on account of the crowded condition of the Library Room. We have added as many new shelves as the room will accommodate and still there is not room enough.

It is the duty of a library to do more than circulate books. We are very anxious to carry on the work done by other libraries, such as conducting a children's story hour, having exhibitions of pictures, working among the children to instill a love of books and teach the proper choice of books, to have a good reference table and books to help people solve their difficulties or look up various articles of interest to them. All of these things have to be, of necessity, left undone by our library because of lack of space. For the same reason we cannot take advantage of the many films, portfolios, sets of books, lectures and other material of great value available for the small libraries at little or no cost.

The State Library Department has always been very desirous of helping our library and have rendered very helpful service both in gifts of books and in help from their workers without any charge to our Board, and we feel sure that they are ready to help us in many more ways when we are in a position to broaden the scope of our work.

For these reasons we have had inserted in the warrant an article asking for an addition to the library room. The desired addition on the north side of the Town Hall extending from the front corner of the hall to the east end of the library room would give ample room for added shelves, a reference table, a reading room and a librarian's room for keeping supplies. We ask the voters to give this matter serious thought and consider the benefit this addition would be to the library.

In order to make the library of more service to the people of the town the hours have been changed. After April first the library will be open every Saturday in the year from three to five, and from seven to nine P. M.

The following books have been added during the year.

NASON R. MACOMBER, Chairman.
